

Reporting bugs, problems and asking questions

- **Feedback, questions, problem reports, feature requests**
 - phenixbb@phenix-online.org
 - Mailing list, reaches community and developers
 - bugs@phenix-online.org
 - Reaches developers only
 - help@phenix-online.org
 - Reaches developers only
- **Reporting a problem**
 - Check if problem exists in the latest nightly build available here
 - www.phenix-online.org/download/nightly_builds.cgi
 - If problem exists in latest nightly build, report it to developers
 - Send all inputs that are necessary to reproduce the problem
 - If using GUI, explain what needs to be clicked to get the crash
- **Files sent to developers are handled confidentially**
- **Bug fixing is our highest priority.**
 - Typically we fix bugs quickly
 - Updated Phenix versions appear in upcoming nightly builds
